To Whom It May Concern:

I would highly recommend Capitol Security as a consideration for your security company. We have used a number of companies, and without question, Capitol Security has been the best. They have always had appropriate and qualified personnel on our projects and have always acted in the utmost professional manner. The management and field staff are very thorough, personable and always punctual.

If you would like to speak with me personally in regards to a recommendation, please do not hesitate to call me.

Sincerely,
